

To the FCC:

At a time when public opinion of both candidates is so close, it can hardly be seen as anything but a smear campaign by Sinclair if they air a piece like "Stolen Honor".

I can appreciate someone having a political affiliation in the company, but to use the company's power (which uses airwaves owned by ALL Americans) to broadcast a slanted film, which pre-empts their regular Prime Time slots, on ALL Their Stations is completely unacceptable.

Where Has Your Responsibility for Protecting Our Airwaves Gone?

This is WRONG.

Large sums of Sinclair generated money have been donated to the Republican Party. This is obviously an attempt to make their investment pay off. AT OUR EXPENSE! You have a duty to stop this kind of Abuse Of OUR Airwaves!

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you for your immediate response to this issue.

Sincerely,

Kevin Mergel
